This is us.

Winter has certainly come back to bite us!!

Thank you to all the parents who came out for 3 way conferences. It is really important that our students develop ownership of their learning and are able to share this with you with support from their teachers.

If your were unable to make these conferences teachers are happy to make appointments after school at convenient times for you and them.

A reminder - there are auditions for our "A Night at the Movies" performing arts showcase next Wednesday 7 August in the afternoon. Please remind anyone who is auditioning to bring along everything they need.

Another Reminder - Assembly - Friday 2 August - 2.15pm

Across our curriculum, we have a focus on our 'SuperLearner Competencies'. So far we have looked in-depth at thinking and now we are working on Relating to Others. Teachers include a variety of activities that give the students opportunities to develop and practice these competencies. See attached.

A "Night at the Movies"

Glen Oroua School are full on as we are performing at the Globe Theatre for a "NIGHT AT THE MOVIES" on the 26 of September. We are looking amazing. Each class have their very own dances from a selected movie and will be performing them. There is also a wonderful choir, singing some very energetic songs from some common films. We will also be singing with Miss Week's choir called Six to Sixty which is pretty exciting. The entire school will be singing a medley of songs from the new Lion King movie. In this we have involved soloists, echoes and 2 part harmony. To finish the night off the school will sing a song from "The Greatest Showman". But wait there's more! We will also have acts from other students as well, like dancing, singing, magic, comedy, and drama. The auditions will be held on the 7th of August, so good luck to everyone who is auditioning. The Maypole

Brrring, as the bell went everyone rushed over to the maypole to get the first turn. When the first kids were on the maypole, the next four kids lined up for their turn. The older kids give boosts to the littler kids so they go really high. A while ago Mr Holtslag put on new ropes so now kids can sit on the knots with out falling off. Lots of kids go on the maypole because they like it and it's really fun. I really like the maypole because I go really high and fast. By Bill

It was as if you were walking down a dark alley at midnight as you approached the classrooms to do the nerve-breaking 3 WAY CONFERENCES. Waiting for your turn is always the worst part, butterflies rush through you like there's no tomorrow and they never stop coming. "Am I in trouble?", "What did I do wrong?" that's all that runs through your brain once you open the classroom door. Your teacher patiently waits there holding her papers of math work and marked sheets. The teacher kindly welcomes you in and you take your seat. A big smirk takes over the teacher's face and she begins to speak. Before you know it the conference is over and it was actually quite cool to talk about my learning. There wasn't a cane or the strap, just a good conversation about my learning. I can't wait for next time. By Joseph
