This is us.

Welcome to Lily Pedley and her parents Hannah and Nigel, she has joined Room 3 today.

Welcome also to Mrs Eliza Trembath who has joined the staff as our teacher aide - "it's great to have you on board".

Reminder - triathlon practice on Thursday with Mrs Ireland.

Floyd Archer - our thoughts and very best wishes go to Floyd and his family up at Starship. He is having heart surgery on Friday and we all hope for an excellent outcome and a speedy recovery.

My thanks also to Mrs Saunders who is covering the CRT (classroom release time) for me while I am in Room 1.
Thank you Kate!

Also Ms Carroll (Francie) is doing well and recovering as per doctor's orders.
We miss you Francie!!

Room 1 is going to listen to the NZ Symphony Orchestra on Friday, along side hundreds of other Palmerston North students.
Thank you to those people providing transport - we need to be on our way by 12pm to give us time to find parking!
We will return by 2.30pm.

Please Note - Bus Students

Many of our students participate in after school activities and often, some of them are not on the bus as usual. This means that the bus may run early. Its difficult to inform you when this might be so it would pay to be early if you are meeting the bus.

Thank you to the families that have returned their completed Parent Consent for EOTC Activities and Medical Records and Contact Details form.
Could the remaining families please send these to school as soon as possible.

School Working Bee - Sunday 8 March - 1 - 3pm

If the Colours of our world were swapped around . . .

If bananas and cookies swapped colours,
Would bananas still be known as the "wise men fruit"?

If clouds were yellow,
And skies were red,
What would happen when we go to bed

If grass were black as a tyre,
And trees were orange,
Will we look back,
To a forest on fire?

If sand were gray,
And the sea was pink as bleach,
Would the beach,
Look quite bleak?

By Delta

If skies were green
And sunshine pink
What colour would the ocean seem?

If cows were blue
And grass grew red
Would cows still be able to moo?

And oranges,
What if they were brown?
And if it did
Would cold brown juice really taste the same

I've only known a yellow sun,
Blue sky and seas green teal,
So if one day the colours swapped
I'm not sure how I'd feel

On Sunday 29 March 2019 at 1.30pm there will be a social gathering in the Glen Oroua hall, to reminisce about the past and present. We invite people from within and from outside the district who have been part of our community in the past, as well as any other interested people.

A plate of finger food for afternoon tea and a gold coin donation for expenses would be appreciated. Tea and coffee will be provided.

Please pass this message on to people who may be interested.
