This is us.

On Monday the Prime Minister announced that NZ was moving to Alert Level 1. Many of the restrictions we have faced over the last few months have now been lifted. Following is the information provided by the Ministry of Education and the Ministry of Health.

Key features of Alert Level 1 are....

- If people are sick, they should stay at home
- Wash and dry hands
- Sneeze and cough into your elbow
- Regularly disinfect shared surfaces
- Support contact tracing effort by using the QR Code poster for the Covid19 Tracer App

Our school is a safe place for staff and students. We will continue promoting and practicing safe hygiene habits.

Drop Off and Pick Up: Parents and Whanau are welcome on the school grounds and in classrooms.

Drinking Fountains: These are now open.

I would like to take this opportunity to sincerely thank all parents and whanau for your support over the past months. You kept your children home, you followed instructions around staying outside the grounds and signed in when you needed to come in – thank you! Everything has worked efficiently and we really appreciate your support. 😊😊😊

ZERO Waste – welcome to Chris Simons from Zero Waste who has been in the school this week talking to our students.

ZERO WASTE

This week Chris from Zero Waste came in to talk to all the three classrooms about worm farms and about what to put in them and all kinds of things. We learned that we were not putting the worm farm foods in properly and that we were not chopping them up. If you don't chop them up it takes longer for them to break down. We have learned about worms and what they do and what their body is like. Did you know that one type of earthworm can grow up to 3 metres long. On Friday we are going to make mini compost bins out of milk bottles.

By Charlotte

Mrs Saunders read a book to Room 3 called "Come to My House". In the story a boy was inviting his friends to his house to see lots of amazing things you wouldn't expect to see. "Come to my house after school, I have an elephant at my house!" We imagined some spectacular things we could invite our friends over to see and painted them with crayon and dye.

Reminders:

- ◆ Assembly - we will have an assembly next week - Friday 19 June - 2.15pm
- ◆ Te Kawau Junior Gymnastics will go ahead at Sanson on Friday 26 June
