Kia ora koutou,

Last week our four Year 8s headed to the Regent for National Young Leaders' Day, an event our school board funds for our Year 8 students. The theme of this day was Stronger Together, and reflected on how the team of people that support us in our lives help us to be able to achieve more and be stronger.

This is constantly evident in our school community, with half of our families having given feedback on our Bought Lunches survey (I'll re-share the link today on Seesaw if anyone else wants their opinion included), parents and teachers working in partnership for the benefit of our students, our school board keeping our tamariki, and what is best for our school, at the fore as they govern our school, and our students taking responsibility (in ways they can) for helping our school run smoothly.

Next week we begin the process of working with the Education Review Office (ERO) to begin the cycle of review of our school. I know that they will also see our supportive and involved community as one of the greatest assets of our school, and look forward to gaining an outside opinion of our strengths, and areas we can work on, to improve outcomes further for our/your tamariki.

Ngā mihi
Francie

Bus Students: Today students who use the bus will have a Bus Transport Code of Conduct come home with their newsletter. I have talked to them about their responsibilities around this, and would appreciate parents reinforcing this at home, then signing and returning the code of conduct.

Native Area: Our native area needs a weed! I would love to get our students taking responsibility for this, and was hoping some parents might be available to help us out - tomorrow (Thursday) and/or next Tuesday at lunchtime from 12.45-1.30pm. It would be useful to bring a wool fadge, or feed bag to put weeds in. I just need to remember my gumboots!

From the Friends of the School...

"Thank you to our wonderful friends and family, we have tallied up the Trailride and are excited to say that we have raised over \$13500 for our school!

Cheers again to our amazing sponsors:

Farmworxs

Pedley contracting

Transag

Wright tanks

And special thanks to the Mckelvie family for use of Pukemarama Farm!"

Our community ... in photos

We all have places that are important or special to us.

This might be because of something we do in that place, or the way we feel when we are in that place.

We would like to create a montage of photos of the places around here that are important to the students at Glen Oroua School. This might be a spot on the farm, or in your home, or a place your family visits to have fun. This will be one way that we can understand what is important to our school community.

So... take a photo of your favourite place - you might be in it or not - and email it to your teacher or principal@glenoroua.school.nz. It might be a new photo or one that has already been taken. We can't wait to see your favourites!

Friends of the School

Friends of the School will be meeting on Wednesday 26 May at 7pm in the Library to plan ahead for next year's Trial ride, and talk about how we support our school community with the funds we raised. If you are interested in being involved come along for a cuppa and see what we do.

Term Events

- Thursday - 20 May - BoT Meeting
- Friday - 21 May - Rm 2 Gym - Sanson - 11-11.45am
- Thursday - 27 May - Technology - Year 7 & 8
