Kia ora e te whānau,

GO Art Expo...

On Friday this week (15 September) we are holding our Art Expo, which students have been working towards all term. There are a wide variety of artworks which all connect to our theme of Papatūānuku, and we warmly invite our whānau and community to come along and take a look. It will begin at 2pm, and run for the hour in the afternoon. Please join us in the courtyard at 2pm. We hope you can make it!

Te Kawau Speech Competition...

Congratulations to Penny CH and Jake CH who represented our kura at our local interschool speech competition last Friday. They both are excellent orators, with Jake coming 3rd in the Year 5&6 competition with the topic of 'Phobias', and Penny winning the Year 7&8 competition. Her topic was 'The Importance of Imagination'. Thanks also to the Rongotea & District Lions' Club who helped with the set up and sponsored prizes.

Mid Term Election for the School Board...

At Glen Oroua School we have two elections for the school board within the 3 year election cycle. One (which happened last year) with 3 parent board member positions up for election, and the other which will be happening on Wednesday 15 November this year, for the other 2 parent board member positions on the board up for election. Nominations will be called for before the end of this term for these two positions. Please talk to Francie or any of our school board members if you would like to know more about this.

People Using the School Grounds...

While we are really pleased for people to use the school grounds to play and explore after school hours, unfortunately over the last 10 weeks there have been people visiting here, a number of times, who haven't respected our space as we would like. We have had equipment moved around to less than sensible places, further items stolen, glass broken etc. We know this isn't the type of behaviour that people in our community want happening, so we ask you to keep an eye out, and to let us know if you see any unusual behaviour. Francie is happy to be messaged at anytime about this - 0211709878.

Emergency Food Supplies...

Thanks to those who have bought in named cans of food for our in-case of emergency/civil defence food supplies. Remember, we would like every student to bring in a can of something they would like to eat - with their name on it, and if not used in 12 months time we will return it to you for a replacement, to ensure they don't expire. It would be great to have these by the end of term, which is fast approaching.

Headlice...

We have had a few children with headlice at school, and so it would be worthwhile for parents/caregivers to check all the children's hair to nip this in the bud. Advice about treatment can be gained from any pharmacy.
